

Shobukan East Jujutsu & Karate Academies Presents:

SHOBUKAN KARATE

For Saint John the Baptist School 2023-2024

Dear Parents,

Shobukan East has been providing high quality, full service, martial arts and self-defense instruction to students of SJBS for over 16 years. The classes meet on Wednesdays and Thursdays @ 2:15pm and last 1 full hour. Students come to the Cafeteria immediately after school dismissal. The program is continual through the school year, observing holidays, snow days and early dismissals when applicable. New students are welcome to begin at any point in the school year. We accept students aged 5 and up. As an additional benefit, our main studio is only 15 minutes away. Students may get extra training or make up missed classes there at no additional cost.

For SJBS, we will be teaching our Children's Karate syllabus. This is a self-defense oriented (not sport), traditional art, dedicated to developing self discipline, focus, respect for others, and cooperation. The safety of the students is our chief concern and, in fact, safety procedures are practiced every class.

The Chief Instructor of S.E.J.K.A. is Shihan Allen F. Majane. He currently holds the rank of Rokudan (6th degree black belt) in Shobukan Karate and has been training continuously for nearly 33 years. He will be teaching all classes at SJBS personally, and is entering his 17th year in charge of the program there. Shihan Majane has supervised the graduation of seven (7) St. John's students to the rank of Shodan (1st degree black belt).

Membership dues will be $60.00 per month, payable the 1st week of each month. After initial payment, we mail a statement prior to the end of each month. There is a one-time Enrollment Fee of $65 (new students only). High quality Judo uniforms can be purchased through S.E.J.K.A. Cost varies based on size. Students may use uniforms from other sources, but they must be white or natural color and have any other school's logo removed.

Shobukan Karate is a tradition @St. John's and we hope it will be for many years to come. Some students have started in Kindergarten or 1st grade and remained with us even into High School, earning high rank but, more importantly, giving their families the peace of mind that their children can defend themselves. I hope your family will join us! Classes for the 2023-24 school year begin Wednesday, September 6th.
